

Flodden's Boggy Ground Was it?? Wasn't it ??????

The 2010 Flodden Lecture

will be given by

Prof. Paul Younger FREng DL

Director, Newcastle Institute for Research on Sustainability

**The decisive role of groundwater in the outcomes of the
Battles of Flodden Field and Prestonpans**

September 21st 6.00pm

Lady Waterford Hall, Ford, Northumberland.

*Perhaps this will explain one of the great mysteries of
the Battle of Flodden Field*

Light refreshments available

Last year's Flodden Lecture was over-subscribed. To be sure of a seat and to help with organisation please obtain tickets from:

The Remembering Flodden Project
Branxton Villa
Branxton
