JULY 2008

NANCY SELECTED AS A 'COMMUNITY CHAMPION'

Mrs Nancy Clark has been selected by Nationwide Community & Heritage Awards as a North East finalist and will receive her award at Newcastle on July 16th. She will then be entered for the National awards to be held in London later this year. This award has given recognition to Nancy's dedication to amongst other things, various charities, especially the British Legion, her work for local Churches, 36 years as President of the Cornhill WI, and last but not least good neighbourliness and friendship to so many people.

This is Nancy's second such award. She received a Gold Award for Community Achievements in 2003. Congratulations Nancy and Good Luck in the National Finals.

VILLAGE IN BLOOM—Saturday 7th June

Organisers Tina and David Pope with some of the willing volunteers ready to plant.

Pictured below the youngest helper, Megan Jones. Seen here with her oversized wheelbarrow. She worked very hard and wasn't even frightened of the ants! Well done everyone, the tubs look lovely.

Volunteers are now watering the tubs so if anyone would like to help please see the girls in the shop.

'Landed a Big One, Bob?'

Well done to Bob Harrison who took part in 'Big Day Out' a fishing competition in aid of MacMillan Cancer Care. Twenty fisheries took part and Bob's group the Watchwater Duns raised a magnificent £5300!
Bob's winning catch was a 7lb trout.

Bob would like to thank everyone who sponsored him.
